Danish Windmill

2020 Christmas Catalog

Christmastime at the Mill

Dear Friends of the Danish Windmill,

Oluf August Hermansen was a Danish 19th Century painter who was born in 1849—just one year after our Mill was built in Nørre Snede.

His painting of the three nisses and their cat sleeping up in the windmill after enjoying a bowl of rice pudding the farmer put out, reminds us of the Danish Christmas traditions we love.

It's been a challenging year for the world. That's why it's especially important this season to take comfort in simple pleasures like hanging paper cones, baking Christmas cookies, making Advent calendars, decorating the Christmas tree and enjoying time with family and friends in front of a crackling fire—even if it's virtual (thanks to technology)!

This Christmas catalog is a "hygge-inspired" collection which represents the genuine coziness and hygge of the Danish Christmas time, just as we know it, so you can create it in your own home.

Please help Keep the Mill Turning...
As you may know, the Windmill museum, other buildings in the complex, gift shop and Iowa Welcome Center were closed from March until late May so it's been financially challenging for our non-profit due to fewer travelers, cancellation of Tivoli Fest, etc.

Because it takes more than wind to keep the Mill turning...it takes money, we are reaching out to you again to ask for your continued support.

Here are ways you can help—

- Purchase goods from our museum store and website.
- Donate and purchase items at our Chair -ity Gala online auction in November.
- Donate Gifts of Grain.
- We are a participating non-profit and are listed with:
  JustGive.org,
  Thrivent Choice Dollars,
  GiveSmart,
  Network for Good
  PayPal Giving Fund
  AmazonSmile

We welcome gifts of any amount. The Mill is a 501(c)(3) non-profit corporation and your donation is tax deductible to the extent allowed by law.

Again, we sincerely thank you for your consideration of a potential gift and will appreciate your continued financial support.
